## 4-STAR SPOTLIGHT

### Hurst Boiler Company

Somes-Nick & Company is proud to announce that we are now the exclusive manufacturer representative for Hurst Boiler Company in the Chicagoland area. Hurst Boiler & Welding Company, Inc. has been designing, engineering and servicing a complete line of solid fuel, solid waste, biomass, gas, coal and oil-fired steam and hot water boilers since 1967, for thousands of satisfied customers. Hurst also manufactures a complete line of boiler room peripherals such as blowdown separator surge tanks, and pressurized feedwater tanks.

## STEAM TIP OF THE MONTH

By Rob Brennan

*A good steam system starts with good quality water. This is one of the things that I have seen go unchecked and in the end the boiler schedules a maintenance call the owner didn't expect, usually an expensive one.*

*Here why it's so important to get it right:*

- Better Heat Transfer Efficiency
- Extend Life Expectancy of Equipment
- Lower Natural Gas Consumption
- Reduce Emissions/Lower Environmental Impact
- Lower Overall System Costs & Reduce Downtime
- Sustainability to Achieve Long Term Water Reduction

*Steam 4 Life!*

## UPCOMING EVENTS

*April 23rd 2020*

**BOILER OPERATION 101**

**1-DAY SEMINAR**

**Email [rbrennan@somes-nick.com](mailto:rbrennan@somes-nick.com) to register.**
